POP UP PICNIC

A scenic beach picnic setup. In the foreground, a white table holds a picnic basket, glasses, and a small floral arrangement. Two blue and white striped pillows rest on a white blanket on the sand. To the left, a vintage-style portable radio sits on the sand. To the right, two gold-colored lanterns are lit. A hammock hangs from a tree on the left. The background features a clear blue sky, a calm turquoise sea, and a sailboat in the distance. The scene is framed by the lush green leaves of a tree at the top.
